

NCX

NOVOX NCX Stereo Digital Condenser Microphone Studio, Microphone with Shock-Absorbing Stand and Windproof Sponge for Vocals Recording, Dubbing, Live-Streaming, Broadcasts, and YouTube Videos.

NOVOX NCX

Offers a sturdy metal design with USB connection. This microphone offers clear, crisp and deep audio reproduction. The variable directivity adjustment is an ideal feature for those looking to use this microphone for different recording and live applications. Stereo, Cardioid, Bidirectional and Omnidirectional patterns can be switched between for the desired application. The noise reduction and high SPL allows for the GX6 to capture the full voice and eliminate unwanted environmental sounds. Additional features such as the live monitoring headphone jack, with adjustable sound control, mute button and volume gain adjustment for the microphone, this all in one USB microphone offers all the features required for a range of use cases. Live streaming & broadcasting, Podcasting, YouTube, Voice overs, Music recording and many more.
